

August 29, 2010

Dear Skaters,

Welcome to The Baltimore Figure Skating Club's 2010-11 skating year! Here is our lineup of skating dates, times and fees:

- **Fall Season:** Thursday, September 9, 2010 to Monday, November 22, 2010 – **Fees due by September 8, 2010.**

Fall 2010 Schedule

- **Monday -- 6:10 to 7 p.m. and 7:10 to 8 p.m.**
- **Thursday -- 6:10 to 7 p.m. and 7:10 to 8 p.m.**

Fees

The ice fee will be \$10 per session for Baltimore Figure Skating Club Members.

The ice fee will be \$11 per session for Non-Club Members.

Punch Card

Once again, skaters will be allowed to purchase a BFSC Skate Card for \$120 for 10 skate sessions (\$12 per session). This card can be used at any of the club sessions during that skating season, providing the number of skaters on the ice does not exceed 25. BFSC members will receive priority. The card will expire after the skating season March 2011. A second skate card may be purchased for the same price. Only one skater per Skate Card permitted.

The regular walk-on fee is \$15 per session. Walk-ons and guests will be allowed to skate only on sessions that are not at full capacity.

We will limit the number of skaters on any one session to 25 to maintain ice quality. Applications will be received on a first-come, first-served basis, with first priority given to BFSC members purchasing sessions, then to non-members purchasing sessions, BFSC club members purchasing skate cards, non-members purchasing skate cards and finally to walk ons.

Charitable Organization Status

The Baltimore Figure Skating Club has been designated as a 501(c)(3) charitable organization for tax purposes. This means that contributions to the Club are tax deductible. Please note:

Under the Internal Revenue Code, membership dues paid to The Baltimore Figure Skating Club are not tax deductible for income tax purposes.

USFSA Membership

If you have not renewed your membership in U.S. Figure Skating, please include the fee with your ice payment.

Skating Etiquette Rules

All members will receive a copy of the Club's Skating Etiquette Rules to further help our skaters practice safely and effectively. If you have any questions about these rules, feel free to contact a board member. We welcome your input.

Volunteers Make all the Difference!

How can you, as a skater, Club member, or skating parent, improve BFSC? You can volunteer your time and services during our annual Chesapeake Open Skating Competition. Fundraisers are critical to the Club's ability to pay for our practice ice throughout the year.

Please also be ambassadors for our Club by encouraging your skating friends to join The Baltimore Figure Skating Club. If you see a new face during a Club session, please introduce yourself and welcome the skater to our Club.

We encourage all Club members to contact any Board member with questions or comments.

The Baltimore Figure Skating Club has been offering ice skating programs in the Baltimore area for more than 60 years. We are committed to developing and promoting amateur figure skating -- from beginners learning the fundamentals to experienced skaters competing at the national level. To that end, we offer sincere thanks to all our members, parents, and volunteers. The Baltimore Figure Skating Club would not exist without your dedication and hard work.

Sincerely,

Shelly Feeley

As a member of our Club, you may request a letter of permission for

- USFSA sanctioned "Non-Qualifying Competitions"
